Good Afternoon,

We currently distribute the documents identified below in Region 7 but I didn't want to be out of order so I am writing to inquire about getting permission to share these documents with residents in the Port Arthur and Beaumont areas:

http://www.childrensmc.org/Content/uploadedFiles/Departments/Allergy_Asthma_Immunology/Asthma/Safer%20Cleaning%202004%20in%205%200.pdf

Let me know if you need any additional information.
